

BORA®

8pce Parallel Clamping Set

- 3.5-inch-wide padded jaw provides constant, even pressure without damaging material
- Large, easy-grip handle makes it easy to lift and slide jaw up and down
- Anti-slip bottom jaw keeps the jaw in place
- Quick, accurate setup for clamping frames, boxes, doors and more
- Blocks feature two channels perpendicular to one another allowing them to hold the bar of your clamp providing stability in two directions
- Slots fit most standard parallel clamps including BORA® 18in (45.7cm), 24in (61cm), 31in (78.7cm), 40in (101.6cm), and 50in (127cm) models
- Heavy duty plastic construction
- Set Includes: (2) 24" Parallel Clamps + (2) 40" Parallel Clamps and (4) Parallel Clamp Blocks
