INFORMATION

Breeo's sleek and versatile Serving Board is an all-in-one cutting surface and serving tray. Durable and easy to clean, the Serving Board completes your live-fire cooking presentation with an edge groove on one side that traps oil and grease while its smooth side is perfect for prep work.

Pair it with Breeo's Outrig™ Post and Tri-Hook accessories to maximize your fireside efficiency and elevate your presentation.

USE & CARE

Dishwasher safe and weather resistant through all seasons, but best when cleaned with soap and hot water. Barkeepers Friend or SOS pad can be used to remove more stubborn dirt.
