This is The Year!

Every 50 years the Hebrew calendar announced an amazing new beginning called the Year of Jubilee. With the sound of a ram's horn being blown like a trumpet, everyone knew a reset and a restoration was going to be taking place in a very tangible way! Slaves were going to be set free, debts were going to be forgiven, and lands would be returned to their original owners. Read Lev 25:5-55

God commanded this event to bring physical restoration to His people then and to point to the day when spiritual restoration *and* forgiveness would be available through His Son, Jesus.

I can only imagine the sound of the rejoicing of the children of Israel at this once in a lifetime happening. But the Bible tells us this is nothing compared to rejoicing in heaven when one person repents and finds forgiveness in Jesus! This **IS** our Year of Jubilee.

Ach, naw ver's my wrench?

PaulB dropped his tiny, black wrench on the pages of this ad. Find it, and you have a clue to where there is a hidden wrench worth \$5 in each of our stores. It looks like this but is much smaller...

The wrench in this ad has no redeemable value. See PaulBhardware.com/hidden-wrench to learn more.
