TOOLS FOR LIFE BEYOND
THE WORKSHOP

Tools for the Trade

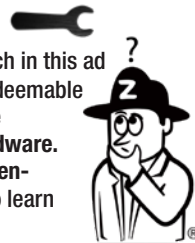

Having the correct tool for the job that you need to do is very important and saves a lot of time and frustration. Being in the hardware business, I enjoy seeing all kinds of tools made through the years to accomplish specific tasks. It is interesting to see antique tools and try to imagine how they were used and how effective they were for the task at hand. You know, God has given us tools to navigate life and to accomplish his specific plan for each of us. These tools are referred to as spiritual gifts; see Romans 12:6-7. The Holy Spirit gives us gifts of Prophecy, Serving, Teaching, Encouragement, Giving, Administration, and Mercy to edify and encourage those we meet. Are you using the tools that God gave you to build his kingdom?

-Phil Groff, PaulB Pro Sales Manager

**Ach, naw ver's my
wrench?**

PaulB dropped his tiny, black wrench on the pages of this ad. Find it, and you have a clue to where there is a hidden wrench worth \$5 in each of our stores. It looks like this but is much smaller...

The wrench in this ad has no redeemable value. See PaulBhardware.com/hidden-wrench to learn more.
