*Ach, naw ver's my  
wrench?*

PaulB dropped his tiny, black  
wrench on the pages of this ad.  
Find it, and you have a clue to  
where there is a hidden wrench  
worth \$5 in each of our stores.  
It looks like this but is much  
smaller...

Spring is my favorite season because of the beauty of emerging new life. Yet, this also comes with undesirable growth: thorns, thistles, poison ivy, etc. It is incredible to consider how each plant only produces that for which its root is genetically coded: root equals fruit. Hebrews 12:15 says, "Looking carefully lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble, and by this, many become defiled;..." By contrast, Galatians 5: 22&23 describes the beautiful fruits of the Spirit. God's grace produces this fruit, and His Grace is abundantly available for each person as we choose to love Him, obey His Word, and walk in a close relationship with Him. This allows God to change us and direct every area of our lives. If we are not walking with Him, the roots of bitterness start growing, producing thorns, thistles, poison ivy, etc., which shows in our relationships. Are you walking with Him? He is ready and eagerly waiting, desiring to fill every person with His rich grace!
