The Carpenter's Corner
TOOLS FOR LIFE BEYOND THE WORKSHOP

We all have 24 hours a day, and what we have room for in our schedules or hearts is our choice. A long time ago, Jesus was born in a stable because there was no room for him in the inn; it was booked full. Later in Jesus's life, Mary sat at Jesus's feet, listening to him when Martha was too busy. Jesus also gave us the parable of the good Samaritan who made room and time in his schedule to help the needy when others had no time or room to help. Is our schedule so full of work, sports, online, or hobbies that we don't have room for Jesus or time to read and study God's word? *"And Jesus answered and said unto her, Martha, Martha, thou art careful and troubled about many things: But one thing is needful: and Mary hath chosen that good part, which shall not be taken away from her"* (Luke 10:41-42). May we have room for Jesus daily to study His word, pray, and serve those around us.

Ach, naw ver's my wrench?

PaulB dropped his tiny, black wrench on the pages of this ad. Find it, and you have a clue to where there is a hidden wrench worth \$5 in each of our stores. It looks like this but is much smaller...

The wrench in this ad has no redeemable value. See PaulBhardware.com/hidden-wrench to learn more.
