From farms and factories to businesses and homes, every solid project requires the right materials. While we know you have many places to buy your hardware supplies, the most critical part of any build isn't found on a store shelf.

In Matthew 21:42, Jesus speaks of "The stone which the builders rejected has become the chief cornerstone." There are endless options, but there is only one Chief Cornerstone—Jesus—and we choose to accept Him. We invite and encourage you to build your life, your family, and your business upon Him.

Our business vision is simple: to advance God's Kingdom by using our God-given talents and ingenuity to serve you in the spirit of Christ.

This Thanksgiving, we express our sincere gratitude to all our customers. Whether you are harvesting crops, operating production lines, or caring for your home, your labor holds immense value through the relationships God has entrusted to you.

We pray your holiday is filled with gratitude.

Happy Thanksgiving from our family to yours!

-Rodger Weaver, *Chief Executive Officer*

Ach, naw ver's my wrench?

PaulB dropped his tiny, black wrench on the pages of this ad. Find it, and you have a clue to where there is a hidden wrench worth $5 in each of our stores. It looks like this but is much smaller...

The wrench in this ad has no redeemable value. See PaulBhardware.com/hidden-wrench to learn more.
