**Tips from
Dennis Heist**

Paint, Lawn & Garden
Product Expert,
Mechanicsburg.

"Mid-April is the best time, in our area, to apply your crabgrass control for your lawn. **Scotts Turf Builder w/ Halts® Crabgrass Preventer & Fertilizer** will get your lawn green faster and eliminate your crabgrass problems later in the season. Follow the application rate listed on the bag and water the lawn within 2 or 3 days."
